Good Morning,

Here are some comments as you requested:

Site Design

-
Cultural Directory

Dance- the orgs should have details, addresses

Festivals/Events-there weren't any listings

Galleries/Museums-there weren't any listings

Heritage-there weren't any listings

Literary-under retail & orgs-there should be an address or description

Searching

-
Fields needed for the C.D. are all that you have already listed.

~might want to refine search in cd for teachers

~under Arts Space Inventory in 'search' it should include by Type, eg restaurant space, library, warehouse, etc.

~under Select Artist or Artist in 'Artists Profiles' it should include select by Specialty, eg Painters, Printers, etc.
